Meds Class of 1956 60th REUNION
Invitation to Class Reunion

Dear Classmate,

In June of next year it will have been sixty years since we took the Hippocratic Oath, received our MD diplomas and formally entered our careers as physicians. Much has happened since then, including amazing changes in medical practice and substantial changes in our own lives. Among our group there are many remarkable stories to be told.

Our class will be invited to events during U of T Spring Reunion 2016:

<http://alumni.utoronto.ca/events/spring-reunion/>. The Chancellor's Circle Medal Ceremony may be one event which members wish to attend.

- **U of T Spring Reunion: May 25 – May 29, 2016**
Friday, May 27, 2016: Chancellor's Circle Medal Ceremony

The Medical Alumni Association will be inviting our class—along with the Classes of 4T6, 5T1, 6T6 and 2015—to its annual convocation banquet, on Monday, May 30th, 2016, in Hart House Great Hall. The MAA will be sending us invitations to this event in early March.

- **MAA Convocation Banquet:**
Monday, May 30, 2016
Hart House Great Hall
Class Photographs: 5:30 – 6:30 pm
Reception: 5:45 – 6:45 pm
Banquet and Awards Ceremony: 6:50 pm ---

To provide a more private opportunity for our class to get together during this event, we plan to have a reception and luncheon at the Hart House Gallery Grill on Sunday, May 29, 2016. This will be organized by a small local group along with Laurie Naiman, the keeper of our website and archives. It is important that we have an early estimate of the numbers of classmates and guests that are expected to attend. Please fill out the attached questionnaire related to the event and return to the MAA as directed. The MAA will forward on anything received to the reunion organizing committee.

Tuesday, May 31st, 2016 is Meds 2016 Convocation. The Order of the day has changed this year and will include morning events that you are welcome to attend.

11:30am- 12:30 pm	Pre-Convocation Speeches (Vice Dean, Oath, Guest Speaker, Valedictorian, CPSO Registrar, Dean)	Convocation Hall
12:30pm – 1:30pm	Hors d'oeuvres	Big Tent (King's College Circle lawn)

Very best wishes to you all! Bernie Langer, Doug Schatz, George De Veber, Bill McIlroy, Laurie Naiman.
